

Washington State

Public Works Board

Recommended for 2016 Construction Loan Funding:

City of Camas

NW 6th Avenue Rehabilitation

County: Clark
Legislative District: 18th
PWB Loan Request: \$1,900,000
Other Funds: \$9,600
Total Project Cost: \$1,909,600

Serves:

- **Schools:** 9 (250 Students)
- **Businesses:** 100
- **Community Facilities:** 4

This project includes approximately 5,300 lineal feet of a four/five lane pavement grind and overlay, ADA pedestrian crossing upgrades, installation of a traffic signal at NW Norwood Street, pedestrian crossing upgrade at NW Ivy Street, and pedestrian mobility improvements. Prior to pavement restoration, the City will also replace miscellaneous utility lines including approximately 1,000 feet of 6" steel water line with new 8" ductile iron pipe, and storm drain improvements.
